

Adult Training in Berkshire

Adult volunteers in Berkshire are supported by a comprehensive modular training programme which is tailored to suit individual needs.

A new Leader begins by attending Modules 1 and 3 known as Getting Started, they will then go on to complete a Personal Learning Plan which will identify which further modules from 4 to 19 that they need to complete. New Managers complete Modules 1 and 4 (Getting Started) and then identify which modules from 5 to 10 and 20 to 26. Further details on the scheme can be found in the Adult Personal File.

There are a variety of ways in which to complete modules, from E-Learning & workbooks, to the popular organised training courses, meeting up with other adults from different groups and sections. To respond to the popularity of courses and the diverse nature of our adults across the county, we have developed 2 different programmes of courses. Separate modules during single days & evenings, or alternatively, participate in our Harmonized Learning Programme of weekend courses.

We also offer specialist courses for Leaders and Managers. There is Module 36 (Special Needs), 37 Advising on Adult Appointments, 38 (Skills for Residential Experiences), Camping Skills and Young Leaders Scheme courses. There will also be Adult Support Workshops during the year, information on these will be published on the County website and via your local contact.

This diary lists all of the courses for both the Modular and Harmonized Learning Programmes and Specialist Courses. You can participate in courses run in any location regardless of where you do your Scouting.

There are 2 other diaries giving information on Getting Started & Harmonized Learning dates & are available at http://www.berkshirescouts.org.uk/adult_support.php

To book a place on a course go online at <http://www.berkshirescouts.org.uk/diary.php?training=1>
